'Following Jesus in all we do'

17th April 2018,

We have had several parents comment recently that it's really busy when dropping children off at the start of the session. It is especially difficult with so many parents around the areas for names, coat pegs and drawers for book bags.

The only solution we have to ease this congestion is to encourage the parents of children going to school this September to leave their child after signing them in, either at the gate or the Pre-School door and not enter the room. This would help your child with being independent in moving their name and putting their belongings away as they will be doing this in Reception Class in September.

If you have any questions please come and speak to me. Thank you for your continued cooperation.

Mrs A. Cree
Pre-School Manager
