Dear Parents

NEW CHANGES TO UIFSM /SUMMER TERM FROM MONDAY 16TH APRIL – FRIDAY 20TH JULY

Since September 2014 all children in Reception, Year 1 and Year 2 have been eligible for a filling nutritious cooked school lunch at no cost to parents. Each child is entitled to a healthy nutritious cooked meal which includes a main course and pudding along with a small salad bar. Did you know: you could save £370 a year by your child having a free lunch every day!!

The new summer menu shows the freshly prepared meals on offer on a three week rotation. The menus reflect the season and its different fruit and vegetables on offer. With the Summer term comes the choice of a packed lunch.

From this term all children will make their own choice of meal on a daily basis instead of pre ordering. The menu is therefore sent for your information only.

Using this system we will anticipate which meal will be the most popular and from that the right amount of portions of each meal choice will be prepared. However as we cannot provide 100% of each choice sometimes your child's preferred choice may not be available. Please bear with us as we begin this process. As previously agreed if you require a vegetarian or special meal for your child due to medical or religious reasons this MUST be booked via the kitchen in advance.

This is an exciting new venture designed to develop and encourage children's independence and healthy eating choices.
