'Following
Jesus in all we do'

7th March 2019

AUTUMN TERM PARENTS' EVENING – WEDNESDAY 20th March 2019

Dear Parents

Parents Evenings are an opportunity for a whole school celebration of how we develop, support and encourage learning for the whole school community. All appointments will be held in the school hall.

We will have information regarding our new 'Parent Pay' system which will replace Payments 4 Schools. Our Catering Manager Tina will be there with a taster menu and an exciting new range of samples to try! Mrs McDonagh our SENCO and Mrs Eaborn, our school family support worker will be available to discuss any pastoral needs for either yourself or your child. Members of the Governing Body and information on other groups and activities will be available during the evening and I, as always, will be available to discuss any issues you have either positive or negative. We always value your feedback and so thank for your help and support in advance. The Governors will be handing out a questionnaire for you to complete about the Catholic Life of the School. This is something that we are extremely proud of and passionate about so your feedback will be greatly appreciated.

To enable you to discuss your child's academic progress to date this term, 10 minute appointments have been set. Two separate session times over the course of the evening have been devoted to this and you are invited to choose the one that is more convenient to you.

Please choose a time from the blocks indicated and return the attached slip by Monday 11th March. You will receive confirmation of the time of the appointment on Friday 15th March. You have all been informed about the 'parent on-line' reporting facility at www.mychildsreport.co.uk using your child's user name and password. The online report will show the end of Autumn Term data and up to date targets, attitude and behaviour judgements. A printed copy of your child's targets will be available on request from your class teacher at your Parents' Evening appointment. Spring Term data will be available at the end of term; should you wish to view this data, please contact Mrs McDonagh via the school office. The online reports will be available to view from 3:00pm on Friday 15th March.

One final and very important point is that parent consultations are an essential opportunity for you to discuss the progress, attitude and attainment of your child so please give it the utmost importance. A lot of preparation is made to ensure that you are provided with the very best and up to date information about your child and the learning environment that they live and work in each day. The time is also a valuable opportunity for you to share your views, ideas and thoughts with the school community as a whole.

I look forward to welcoming you on Wednesday 20th March.

Yours in faith and partnership,

Mrs Louise Bury
